

ANCHORSHOLME ACADEMY

'TOGETHER WE ACHIEVE'

Sport Premium Funding Review 2017/18 and Proposals 2018/19

PE and Sport play a very important part in the life of Anchorsholme. As a school we have a rich heritage of pupil participation in PE and Sport as well as extensive success in a vast range of sporting competitions. Within the curriculum, every child has at least two hours per week that is dedicated to physical activity including PE, Sport, swimming and outdoor pursuits. We believe that physical education and sport contribute to the holistic development of young people and through participation in sport and physical education, young people learn more about key values such as teamwork, fair play and respect for themselves and others.

There is significant evidence to show the positive effects of sport and exercise on children's physical health, growth and development. Furthermore, sport also provides a healthy environment for young people to learn how to deal with competition and how to cope with both winning and losing.

In April 2013, the Government announced new funding (Sport Premium) for physical education (PE) and sport to improve the quality and breadth of PE and sport provision in School.

Our Sports Premium allocation for 2017/18 was **£21,260**. At Anchorsholme we are utilising the additional support of this Sport Premium to improve and develop the quality of PE and Sport provision as detailed below.

Sport Premium Funding Review 2017/18

Project /service /resource	Description	Budget	Impact
Specialist Sports Coach	Employ a qualified sports coach to work alongside all teaching staff to provide ongoing weekly training for staff to expand their competence and confidence in the delivery of PE and Sport and to provide additional pre school, lunchtime and after school sporting activities	£4,194	All teaching staff have completed an audit, identifying their own areas for development when teaching PE. The specialised teaching assistant and support teacher have been deployed to support staff in these targeted areas. As a result, staff have improved confidence and subject knowledge when delivering PE.
Specialist PE HLTA	Assign member of support staff to support PE lessons work closely with the PE co-ordinator and outside sports coaches to enable a unified approach to PE across the school. This member of staff is also providing lunch time sports based activities.	£7,796	The specialist teaching assistant has worked alongside the PE coordinator and students to embed a student-run C4L club, which provides targeted children with an extra opportunity to get into being active.
Sport England	Register with sport England to secure additional resources and guidance and access grant funding.	£200	The school accessed a range of support materials and details of grant funding. No grant applications were made due to specific application criteria not met by our school.
Equipment	Purchase sport equipment to resource both PE activities and our extensive extra curricular sporting provision	£6,736	The school now has sufficient equipment to provide quality resourced learning opportunities in all areas of PE, sports and extra curricular activities from Foundation Stage through to Year 6. The equipment has been used in CPD opportunities, and all staff have been CPD on how to make effective use of the available equipment.
Football Membership	Register with Blackpool Schools Football Association to access league and cup competitions for boys and girls from Years 3,4,5 and 6	£40	6 football teams participated in Blackpool events with 4 teams making finals
BFC Fit to Go	Access the Blackpool Football Club Fit to Go programme for all pupils in Year 4	£0	90 children accessed healthy living activities and a Fit to Go celebration event which our children won.
Cybercoach	A health and fitness resources to support PE in all classes	£550	All 630 pupils in school have accessed Cybercoach sessions through PE and staff have reported improvements in health and stamina.
Transport - Buses and coaches	Coaches to transport all of Year 4 to Fit to Go.	£350	As indicated above all 90 Year 4 children attended the Fit to Go Celebration which they won.
Minibus lease and other costs	Contribution to the lease fee for the minibuses to enable all children to be transported to the many sporting events and competitions we participate in.	£3,650	Over 200 minibus trips were made to transport our pupils to a wide range of sporting events including football, swimming, netball, rugby, athletics, etc.
Staff Training	Individual and whole staff training to develop skills and practice in the co-ordination and delivery of PE and Sport.	£2,200	Teachers and teaching assistants have been provided with training on how to maximise the use /impact of support staff within PE as well as specific training on effective delivery of PE and sport.

Sport Premium Funding Review 2017/18

Total Expenditure	£21,522
Total Grant Available	£21,260
Surplus/Deficit	-£262

All of our children access two hours of curriculum PE per week. In addition through sport coaches and young sport leads and PALS our pupils also access extensive physical activities at lunchtimes and play times. In addition, on a weekly basis, in excess of 300 pupils participate in sporting and physical activities before and after school.

Attainment in PE and Sport is demonstrated through progressive learning in curriculum PE and Sport and also our pupils' extensive success in a wide range of sporting events both locally and regionally.

Sport Premium Funding Proposal 2018/19

Total Expenditure	£21,141
Total Grant Available	£21,141

Sustainability

Each of the areas above focus on both improved sports provision for all pupils and enhanced professional development of staff who are delivering sports activities. Funding which targets staff development and guidance strategies should ensure a legacy for quality sports provision for many years to come, regardless of whether or not sports premium funding is sustained.

Where the funding finances sports resources, financial sustainability will need to be considered alongside all other school expenditure should sports premium funding be withdrawn or reduced.

Swimming statistics for current Year 6 pupils

All pupils in the current Year 6 cohort can swim at least 25m, can use a variety of strokes and have performed safe self-rescue in different water based situations.

Swimming provision in our school is focused in Year 5. All year 5 pupils have weekly swimming lessons throughout the year provided by Blackpool Swimming Service. These lessons provide swim teaching for beginners and greater depth for higher ability including access to regional swimming galas. They also provide swimming safety and self-rescue lessons as part of the annual programme.

Review and reporting

The subject lead for PE and the school leadership team monitor progress towards these proposals throughout the year and report impact to the Governors annually.
