Verse 1

There's a feeling deep inside of me
A flame that never dies
This feeling that I want to share, won't be brushed aside

I want to shout it to the world
Trust in what I feel
Anything is possible
If I believe in me

Chorus

I want to light up the night sky
A shooting star burning bright
If I believe, I know I'll flu
'Cause I was born, I was born to shine

Verse 2

No-one's gonna pull me down
I'll push the doubt aside
The secret to my happiness
Is leave my cares behind

I want to shout it to the word
Trust in what I feel
Anything is possible if I believe in me

Chorus

I want to light up the night sky
A shooting start burning bright
If I believe, I know I'll fly
'Cause I was born, I was born to shine

Bridge

To shine, to shine, shine on me
To shine, to shine, shine on me

Chorus / ending

I want to light up the night sky
A shooting star burning bright
If I believe, I know I'll fly
'Cause I was born, I was born to shine

I want to light up the night sky
A shooting star burning bright
If I believe, I know I'll fly
'Cause I was born, I was born

To spread my wings like an angel
To let my mind run free, if I believe, I can climb high
'Cause I was born, I was born to shine. Cause I was born, I was born to shine
