**EVENT AND DATE: Associate Schools' Julius Caesar Quotes Summer 2023**

The RSC/Grand Theatre recognises its responsibility to ensure the welfare and safety of children and young people.

We use photographs and film to celebrate children and young people's successes and participation in RSC/Grand Theatre activities in order to promote the work, in particular RSC Education and Grand Theatre Creative Learning. Photographs may be used in RSC/Grand Theatre marketing and promotional activity in print or online. Additionally, we ask for your consent for images to be used outside of the RSC/Grand Theatre, for example by your school, or to go alongside press coverage of the RSC's work or on the websites or promotional materials of the funders whose support make so much of the work of RSC/Grand Theatre Education possible.

Photos are recorded and stored on the RSC/Grand Theatre's secure image database. Film is stored in the RSC's secure archive. Children's identities will not be disclosed without consent.
